Sub:- Law & Order - stay in strike - Commonwealth Tile Factory, Kudroli, Mangalore - report regarding.

***

On 14-9-53, 8 women workers of the Commonwealth Tile Factory, Kudroli, Mangalore who were regularly loading tiles into country craft were asked by the management to count the tiles before passing them on to the crew. The women refused to count the tiles as per orders of the manager of the factory on the ground that they do not know counting and that this innovation was introduced without giving them sufficient notice. Thereupon they were placed under suspension for a day for disobedience of orders. 44 other workers who were employed in carrying tiles on the wharf abstained from work as a protest against the suspension orders. The strikers, however left the factory premises, peacefully at 5.15 p.m. when the factory closed for the day.

2) On 15-9-53, the 44 workers resumed their work and the 8 women workers also attended but again refused to do the counting work. They were again placed under suspension for 3 days by the management. The 8 women remained at the wharf till the evening and left the place at 5.15 p.m. The situation is quiet at present.

3) Necessary local precautionary measures have been taken to maintain law and order.

Sir,

Sub: Labour Agitation - Strike by the beedi workers in the factory belonging to K.S. Ayyub at Kasaragod from 14-7-55Forenoon. - Detailed report submitted.

One K.S. Ayyub was running a beedi workshop in the upstairs of a building since about 2 years, employing 21 workers for tying beedies at Kasaragod under tobacco licence No.145/48. Most of the workers are members of the Communist controlled beedy labour union of which one Shankara Shetty of Kasaragod is the President and K. Vasantha, the Secretary.

2) On 11-7-55 the Manager told the workers that he would allow 9 of them to do work in the licensed premises and that the remaining workers would be given the material for tying beedies in their own houses.(This move on the part of the Manager is reported to be to avoid the provisions of the Factory Act) The workers were not agreable to this and on 14-7-55 morning the Manager wanted only 9 of the workers to commence work in the shop and did not give tobacco or leaves to the workers as they refused to work according to his directions. Thereupon 7 of the workers(who are members of the union) refused to leave the premises and resorted to stay-in-strike. Communist leader Shantharama Poi of Mangalore visited Kasaragod on 14-7-55 and contacted the local leaders and the workers. There were processions by the beedy labourers on 14-7-55 and also a meeting was held at which the party leaders spoke condemning the action of the Manager. They have complained to the Labour Officer, Mangalore and have requested his intervention.

3) The Manager has shifted from the premises where the workers are staging the strike and has started his shop in another building from 15-7-55 where 9 workers have been engaged. Among them one worker(Madhava) has refused to do work but is remaining in the shop. The workers who are staging the stay-in-strike at the previous premises continue to squat there.

4) The situatin is peaceful. Police vigilance is being maintained so that nothing untowards takes place.

Ref: Memorandum No.2646/56-5, Public(Elections I), ~~Department~~, dated 3rd August 1956.

-:0:-

The provisions in regard to the preparation of electoral rolls for Graduates' and Teachers' constituencies are contained in rule 30 of the revised Representation of the People (Preparation of Electoral Rolls)Rules,1956 (rules 27 in the original rules). Under sub-rule (2) of the new rule, the application to the Electoral Registration Officer in Form 8 or Form 9, as the case may be, should be made before the 7th January (as against 15th January under the original rule). This will ensure the timely preparation of rolls especially in the years when biennial elections to the Madras Legislative Council are due to be held.

Attention is invited to the second sub-paragraph of para 18 of Memorandum No.99/56-7, Public(Elections), dated 28th March 1956. In sub-rule (3) of the new rule, the provisions of rules 5 (except the proviso) and 11 have also been made applicable to the Graduates' and Teachers' constituencies.

P.T.O.

The provisions of rule 9 regarding access to birth and death registers do not now apply in relation to Graduates' and Teachers' constituencies. As, however, the Tahsildars, Deputy Tahsildars and Municipal Commissioners who are responsible for verifying the applications and for scrutiny and comparing of the rolls with the death registers, are also in charge of the registers, there will be no practical difficulty in carrying out the work.

Sub: Public Services- Civil Services(Classification,Control and Appeal)Rules- Punishment of Senior Inspectors and other subordinates- Delegation of powers to Deputy Registrars.

There are a large number of Senior Inspectors and other subordinate staff working at present under the Special Development Officers. As all these posts are temporary, no rules have been framed for punishing them under the Civil Services(Classification,Control and Appeal)Rules. I have received representation from Special Development Officers that they should be invested with powers for punishing their subordinates. As all of them are Deputy Registrars I consider that they can quite conveniently be permitted to exercise all powers of punishment which have been delegated to the Deputy Registrars in the Civil Services(Classification,Control and Appeal)Rules, I therefore request that the Government may be pleased to incorporate the following as Note 4 under the rules relating to the Cooperative Department at page 38, Volume I of the Civil Services(Classification, Control and Appeal)Rules

"Note 4. In respect of subordinates of the Cooperative Department in the Amelioration branch or Prohibition work, the Special Development Officers will have powers or punishment exercisable by the Deputy ~~xxx~~ Registrars of Cooperative Societies over their subordinates and there shall be the same right of appeal."

As the intention of the Govt. is to give the Backward classes all the facilities and the terms allowed to Harijans in the matter of recruitment to the public services it is necessary to issue similar amendments to the Special Rules where such concessions are allowed to Harijans. ***

In the reference second cited, Govt. have asked me to submit draft ad hoc rules in respect of the posts of Deputy Commissioner of Prohibition(Amelioration) and Joint Registrar of Cooperative Societies, Special Development Officer Assistant Development Officers, Stenographers under the Special Development Officers, and peons working under the Special Development Officers and Assistant Development Officers. I however consider that adhoc rules are not necessary in respect of these posts, as they are all held by departmental men. Only Joint Registrars and Deputy Registrars are appointed as Deputy Commissioner of Prohibition(Amelioration) and Joint Registrar, and Special Development Officers respectively and this has been the policy of Govt. ever since the ameliorative branch of the Prohibition Department was constituted. As regards the posts of Assistant Development Officers, with the transfer of the Ameliorative branch to the Cooperative Department, Government directed that the posts of Assistant Development Officers, should be filled up by Cooperative Department Sub Registrars only vide G.O.No. Ms.2339, Revenue dated 27.9.1948. There might have been some justification or need for adhoc rules, when these officers were working under the Board of Revenue (Excise). In view of the transfer of the Ameliorative Branch to the Cooperative Department, and as the Officers are now working directly under me, there may be no need for adhoc rules being framed in respect of these officers who belong to this Department and are governed by the Madras Cooperative Services and Cooperative Subordinate Services Rules. Though the designation of these officers are slightly different from those in the regular line, they still belong to the several categories in the Cooperative Services. Further, the posts are interchangable with those in the regular line and these officers are transferred to the general line and the officers on general duty are transferred to the ameliorative branch as and when necessary. If at all ad hoc rules are necessary they will be necessary only in respect of outsiders who may be recruited direct for the posts of Assistant Development Officers according to the proposal made by Govt. to the Madras Services Commission in their letter No.11555-BI/49-5, Development dated the 5th August 1949. After a final decision is reached by Government in this behalf, necessary adhoc rules will be framed and submitted in respect of such officers who will be recruited direct as Assistant Development Officers, they are from persons recruited under the Madras Ministerial and Inferior Services and they are governed by those rules. There is no special selection in this department for these posts. In the case of peons, the authorities competent to impose various penalties and the appellate authority to hear the cases have already been indicated in the statement appended to the adhoc rules submitted to Government with my letter first cited. In the circumstances, I submit that it is not necessary to frame separate adhoc rules in respect of these officers.

I will regard to the stenographers and the peons working under the Special Development Officers and Assistant Development Officers

2. With reference to Govt. Memorandum 3-rd cited, the necessary provisions to be made in respect of the posts of Palm Gur Instructors, in the draft adhoc rules for the ameliorative staff submitted with my letter first cited, are indicated in the annexure. I request that these provisions may be approved and incorporated in the adhoc rules.

Sub:Public Services- Prohibition(Amelioration) branch of the Cooperative Department-Rules.

Ref: From the R.C.S.No. 1684 /49-G1 dated 8.3.1949
-do- 137 /48-X2 dated 14.6.1949
-do- 137 /48-X2 dated 31.10.1949

The Registrar of Cooperative Societies is informed that it is proposed to frame rules for the staff employed in the Prohibition Amelioration branch of the Cooperative Department on the lines of the rules issued for the staff in the Commercial Tax Department in G.O.No. 1245, Public(Services) dated 27th July 1939. In view of this proposal it is considered that the posts of Deputy Commissioner or Prohibition(Amelioration) Special Development Officers, Assistant Development Officers Managers, Senior Inspectors, Junior Inspectors Lower Division Clerks Stenotypists and peons in the amelioration branch may also be brought within the scope of these rules.

2. It has been separately decided not to continue the posts of Rural Welfare Officers. The posts of Chief Physical Instructor and Assistant Physical Instructor were sanctioned for the training of Rural Welfare Officers. As the posts of Rural Welfare Officers are not to be continued the posts of Chief Physical Instructor and Assistant ~~Physical~~ Physical Instructor are also not likely to be continued. No rules are therefore necessary for the posts

3. A copy of the draft rules framed in this Department is forwarded to the Registrar of Cooperative Societies. He is requested to offer his remarks thereon. Here also we have to submit draft rules for the post of Deputy Palm Gur Organiser.

Copy of letter from the Registrar of Cooperative Societies, Madras No.Rc.137/46 X2 dated the 8th July 1950.

Sub: Prohibition -Ameliorative staff- Temporary posts- framing of rules.

Ref: My letter No. Rc.137/46 X2 dated 31.10.1949
Development Memo No.26880 BI/49-10 dated 6.2.50.

In their Memorandum cited, Government have stated that it is proposed to frame rules for the Ameliorative Staff inclusive of the posts of Deputy Commissioner of Prohibition(Amelioration) and Joint Registrar of Cooperative Societies, Special Development Officers, Assistant Development Officers, Manager, Senior Inspectors, Junior Inspectors, Lower Division Clerks, Stenotypists and the peons of the department on the lines of the rules issued for the staff in the Commercial Taxes Department in G.O. No.1245 PS dated 27.7.49. In the letter cited I pointed out that there would be no need for adhoc rules being framed in respect of the officers who belong to this department, as they are governed by the Madras Cooperative Services and Cooperative Subordinate Services Rules. Though the designation of the Cooperative Officers working the Amelioration Branch is different from that in the regular line, they stillbelong to the same categories in the Cooperative Services and the posts are also interchangeable. On the otherhand, the Commercial Tax Departmentwas formed by recruitment of officers from several services such as the Madras Civil Service, the Madras Excise Service, the Madras Registration Service etc. and the corresponding Subordinate Services. As the department was thus formed by recruitment of men from different departments, under varying service conditions separate service rules were framed for them. But the case of the Cooperative Staff working in the Amelioration Branch of my department is not similar to that of the staff in the Commercial Tax Department. The promotions, transfers etc. of the Cooperative Staff working in the Amelioration Branch and in the regular branch of my department are considered and treated as a whole and no differential treatment is shown to the Cooperative Staff in the Amelioration Branch. In the circumstances, I submit that it is not necessary to frame ad hoc rules for the posts of the Cooperative staff working in the Amelioration Branch and I suggest that subsidiary rules may be framed in respect of them as part of the Cooperative Services Rules and Cooperative Subordinate Services Rules etc., If Government agree, I shall submit for their approval draft subsidiary rules for the above posts.As regards the other staff(Palm Gur Instructors etc.) employed in the Amelioration branch I enclose draft adhoc rules for approval of Govt.

Order

The Government have had under consideration the question of framing rules for the staff sanctioned in connection with Prohibition(Amelioration) work . The Registrar of Co-operative Societies has stated that there is no need to frame rules for the post of Deputy Commissioner or Prohibition(Amelioration) Special Development Officers and Assistant Development Officers as the posts are invariably held by Joint Registrars . Deputy Registrars and Cooperative Sub registrars, respectively.To obviate the necessity for framing rules for these posts it has been decided to sanction temporary posts of Joint Registrars of Cooperative Societies, Deputy Registrars of Cooperative Societies and Cooperative Sub Registrars for employment as Deputy Commissioner of Prohibition(Amelioration) Special Development Officers and Assistant Development Officers respectively, the registrar is requested to bear this fact in mind when applying for the retention of the Ameliorative staff.

Memo No. 26880 BI/40-1

Sub: Public Services- Staff working under the special Development Officers- Service conditions.

Ref: From the Registrar of Cooperative Societies Letter No.1684/49 GI dated 8.3.49

It has been suggested that as the Special Development Officers and the staff working under them are sanctioned only on a temporary basis it would be enough if Ad Hoc rules are issued prescribing the authority in respect of the appointment, punishment and other service conditions of the staff working under the Special Development Officers The Registrar of Cooperative Societies is accordingly requested to submit necessary draft ad hoc rules.

To

A.S.

A similar procedure was followed in the case of the staff working under the Dairy Development Officer- vide the Pub(Ser)Deptt's notes at page 2 n.f. of G.O.No.Ms. 3729 Development dated 13.7.1948. The draft memo at pp 1-2 ante may be issue.

If the staff are S.Is and other non-gazetted staff of the categories included in the Cooperative Subordinate Service Rules, where is the need for framing adhoc rules.

xx
21.3.49

To A.S

Assistant Secretary's query at the foot of p. 2 ante

The Registrar's proposal is to vest the Special Development Officers with the powers of punishment in respect of the subordinates working under them. Even though the subordinates belong to the Madras Cooperative Subordinate Service and Special Development Officers have at present no powers of punishing them like Deputy Registrars. Hence the Registrar has suggested that the Civil Services (C.C. & A)Rules may be amended. As Special Development Officers and the ameliorative staff working under them are all temporary, it has been suggested that amendment to C.C.&A Rules are not necessary and Ad Hoc Rules will be sufficient - vide Public(Services) Department's Notes in a similar case at 'P' on p. 2 n.f. of (R). In the same case mentioned above Pub(Ser)Deptt. has also stated that if Ad Hoc rules are issued for punishment and appeal it will be better to include in the AD HOC rules other service conditions like appointing authority etc. Further it may be stated that apart from members of the Cooperative Subordinate Service, members of the Ministerial Service like stenographers and subordinates who do not belong to any service like Rural Development Officers, Propaganda Van Drivers and Cleaners are also working under the Special Development Officers and service conditions have to be prescribed for these persons also. It was, therefore, proposed to call for Ad Hoc rules from the Registrar . Revenue Department may, however, see as it is understood that that department is considering the question of framing rules for the Prohibition staff including Amelioration branch.

The Revenue Department's notes at pp ft 4-5 ante may be perused. In March 1947. the Bd. of Rev. submitted draft Ad Hoc Rules for the temporary posts of the Prohibition Deptt. including the Ameliorative Branch. After the transfer of the Ameliorative Branch to the Coop. Deptt. the Registrar was asked to submit revised ad hoc rules for the posts of the Ameliorative Branch in Rev.Deptt. Memo No. 3538 D/46-17 dated 21.12.48. With reference to the Registrar's letter at p 1 c.f. his attention may be invited to the Revenue Deptt.'s Memo ibid and he may be asked to expedite the draft rules called for therein. Subject to orders a revised draft memo to the Registrar of Cooperative Societies is submitted for approval. After issue necessary extracts from the linked file below will be taken and the file returned to Rev.Deptt.

To AS

The case deals with the question of framing ad hoc rules for the Prohibition ameliorative staff. In May 1947, the Board submitted drart ad hoc rules for the temporary posts of the Prohibition department including Ameliorative branch. After the transfer of the Ameliorative branch to the Cooperative department the Registrar was also asked to submit revised Ad-hoc rules. for the posts of the Amelioratiye Branch in Revn Memo 3538 D/46-17 dated 21.12.1948. In his ~~xxxxxxxxx~~ reference on 23-3S c.f. the R.C.S. has submitted the ad hoc rules.

2. The Govt. have sanctioned in G.O.Ms.No. 1754 Dev dt. 1.4.49 the retention of the following staff for the Amelioration work connected with Prohibition for a period of one year from 1.4.49.

Headquarters staff

1. Deputy Commissioner of Prohibition (Amelioration) and Joint Registrar of Cooperative Societies.
2. One Manager (a copperative Sub.Registrar with a special pay of Rs.30/- p.m.)
3. One Chief Physical Instructor.
4. One Assistant Physical Instructor.

5. One Photographer
6. One Reserve Operator
7. Five Senior Inspectors
8. Six Junior Inspectors
9. Five Lower Division Clerks
10. Three typists
11. Nine peons.
12. One Stenographer to the Deputy Commissioner of Prohibition(Amelioration).

District staff

1. Twenty four Special Development Officers(Deputy Registrars of Cooperative Societies)
2. Forty nine Assistant Special Development Officers(Cooperative Sub-Registrars)
3. Two hundred and twenty two Rural Welfare Officers.
4. Twenty five Stenographers.
5. Two Senior Inspectors.
6. Twenty five jeep drivers
7. Seventy five peons
8. Sixteen propaganda van operators
9. Sixteen propaganda van drivers
10. Sixteen propaganda van cleaners.

3. The R.C.S. has submitted draft ad hoc rules only in respect of the posts mentioned in para 1 at page 25 c.f. Apparently the R.C.S. has not submitted draft rules in respect of the posts of Deputy Commissioner for Prohibition(Amelioration), Special Development Officers and Asst.Development Officers because the appointments to these posts are made by transfer from the categories of Jt.Registrars, Deputy Registrars and Co-operative Sub Registrars respectively. Rules however seem necessary so long as these posts are designated, Dy.Commr. for Prohibition(Amelioration), Special Development Officers and Asst. Development Officers.

4. As regards the Junior and Senior Inspectors, Lower Division Clerks, typists, Stenographer and peons employed at Headquarters on amelioration work, it does not seem necessary to frame separate rules as they are employed in the Registrar's office and the rules relating to the respective subordinate services to which they belong will apply to them.

A Stenographer and two peons have been sanctioned for each special Development Officer. Peons have also been sanctioned for Assistant Development Officers. Ad Hoc rules are necessary for these posts also.

..

Notes from the portion marked 'XX' on p 7 above and the R.C.S's references and its enclosure on pp 39.42 c.f. may be perused

2. This department and Public considered that ad hoc rules were necessary in respect of the posts of the Deputy Commissioner for Prohibition, Special Development Officers and Assistant Development Officers and that in the case of stenographers working under the S.D.O's and the peons working under the S.D.O's and A.S.D.O's it is sufficient if the appointing, punishing and appellate authorities are mentioned in the proposed ad hoc rules. The Registrar for the reasons stated at pp 39-40 c.f. considers that ad hoc rules are not necessary in respect of ~~of~~ the above posts as they are all held by departmental men. He however states that in respect of peons, the authorities competent to impose various penalties and the appellate authorities to hear cases have been

indicated in the statement already furnished- vide pages 31.32 c.f.

3. The point is that if the posts are designated as Deputy Commissioner for Prohibition (Amelioration), Special Development Officers and Asst. Development Officers which do not form part of any service, rules are necessary. But since these posts are invariably held by Joint Registrars. Deputy Registrars and Cooperative Sub Registrars , the necessity for framing rules for these posts can be obviated by sanctioning the posts in the regular cadre, i.e.m in the cadre of Joint Registrars, Deputy Registrars and Cooperative SubRegistrars. In other words a post of Jt.Regr. may be sanctioned to work as Dy. Commissioner for Prohibition(Amelioration). Deputy Registrar's posts may be sanctioned to work as Special Development Officer and Cooperative Sub Registrars' posts to work as A.D.O's instead of sanctioning the posts of Dy. Commissioner for Prohibition(Amelioration) S.D.O's and A.D.O's . This may be done when sanction for the retention of these posts is given on the expiry of the present sanction on 31.3.50.

4. As regards the appointing, punishing and appellate authorities in respect of the Subordinate staff of Senior Inspectors Stenographers and peons working under the S.D.Os., it would seem that Ad Hoc Rules would not be necessary if the posts of D.O.'s are sanctioned in the cadre of Deputy Registrars as suggested above.There are already Senior Inspectors, typists and peons working under Deputy Registrars in the regular line and the rules applicable to them will apply in the case of the subordinate staff working under Dy.Regrs sanctioned to work as S.D.Os also.

5. The Registrar has not submitted ad hoc rules in respect of the post of Deputy Balm-Gur Organisers sanctioned in G.O.Ms. 4994, Dev. dated 11.10.49. Rules may perhaps be called for and dealt with separately.

6. The ad hoc rules have been examined in the sectional Notes. Orders may be passed on them. Public (Services) Finance and Legal may see for remarks.

Attention is invited to G.O.No. 1245, Public (Services) Deptt dated 27.7.1939 in which special rules have been issued for temporary posts in the Commercial Tax Deptt. consisting of several departmental officers. To A.S.

Please see Public(Services)Department's notes above. That Department has suggested that special rules may be framed for the various posts in the ameliorative branch of the Co-op deptt. on the lines of the rules framed for the Commercial Tax Deptt. in G.O. 1245 Pub (Ser) dated 27.7.1939. This may be agreed to.

2. In view of Public Departments suggestion. the posts of Dy.Commissioner of Prohibition(Amelioration) Special Development officers, Asst. Development Officers, Senior Inspectors and stenographers for which this department considered rules were not necessary, may also be included in the scope of the rules. The staff employed in the Prohibition Amelioration branch of the Registrar's office may also be included in the rules.

3. A draft set of rules is submitted for approval. A copy may be sent to the Registrar for remarks if any. A draft memo. to the R.C.S. is submitted for approval.

To A.S.

Typed notes from p. 13 above the Memo to the RCS at p 43 c.f. and his reply at p. 55 c.f. may be perused.

2. The Registrar has stated that there would be no need for ad hoc rules being framed in respect of the officers who belong to the Cooperative Department as they are governed by the Madras Cooperative Services and Co-op Subordinate Services Rules as the posts are interchangeable and as the promotions, transfers etc. of the co-operative staff working in the Amelioration branch and in the regular branch are considered and treated as a whole and no differential treatment is shown in the co-operative staff in the Amelioration branch. He has suggested that if the Government agree he shall frame subsidiary rules in respect of these posts as part of the Co.operative Service Rules and Cooperative Subordinate Rules etc. and submit them to the Govt. The Registrar's view appears to be correct. There seems to be no need to frame separate rules for the officers of the cooperative Department who are working in the same Department on amelioration work. Rules became necessary because the posts were designated as D.Commr. for Prohibition (Amelioration) Special Development Officers and Assistant Development Officers which do not find a place in the Madras Cooperative Service or Subordinate Service. It was in order to avoid this difficulty that this department suggested that the posts might be sanctioned in the regular cadre i.e. Jt. Registrars, Deput. Registrars and Cooperative Sub Registrars for amelioration work as no other officers are appointed to these posts. The Officers posted to work in these posts may be called Deputy Commissioner or Prohibition(Amelioration Special Development Officers and Asst. Development Officers. To cite an analogy, th Government have sanctioned the

See below S.G.A

post of a Deputy Registrar to work as P.A. to th Registrar. The officer is called P.A. to the Registrar but no separate rules have been framed for the post as the post has been sanctioned in the Deputy Registrar's cadre. The same procedure can be adopted in the case of Deputy Commissioner of Prohibition (Amelioration), ".D.Os., and A.D.Os as these posts are held only by Jt. Registrars, Deputy Registrars of Cooperative Societies and Cooperative Sub Registrars.

4. As regards the other staff who do not belong to the Cooperative department the registrar has submitted draft adhoc rules. They are the same as those submitted by him previously and examined in the Sectional Notes with slight modifications. He has also included rules for the post of Deputy Palm Gur Inspector. These may be further examined after a decision is reached on 'A' above.

5. Public (Ser) may see.

What are meant by "subsidiary Rules". Is there accommodation for such rules under the existing scheme. The P.As post if a permanent one and the cadre of D.Rs provided for it. The posts of S.D.Os are on a different footing . They are purely temporary and the permanent cadre cannot provide for them.

Examine.

S.G.A.
6.8.50.

It is submitted that there is no provision for framing subsidiary rules under the Madras Co-operative or Subordinate Service Rules. The Madras Cooperative and Subordinate Service Rules apply to posts both in the permanent and temporary cadres. Hence the temporary posts of Jt. Registrars of Cooperative Societies, Deputy Registrars of Co-operative Societies and Cooperative Sub-Registrars are sanctioned to provide for the appointment of Dy. Commr. of ~~Prohibition~~ (Amelioration), S.D.Os. and A.D.Os the service rules will apply to these posts. Hence neither subsidiary rules nor ad hoc rules seems necessary.

{ No rules of either category are necessary for these posts.

Public Department agrees with this department that

no ad hoc rules are necessary for the posts of ~~Dep.~~ Deputy Commissioner of Prohibition(Amelioration), Special Development Officers and Asst.Dev. Officers.Rules are now necessary only in respect of the following posts.

1. Dy. Palm Gur Organiser.
2. Palm Gur Instructors.
3. Photographer
4. Reserve Operator
5. Propaganda Van Operators.
6. Propaganda Van drivers.
7. Propaganda Van cleaners
8. Jeep drivers.

The R.C.S. has proposed rules for these posts in the form of the rules issued for commercial tax department in G.O. 1245 Public (Services) dated 27.7.39. Public Department suggested that rules might be issued in the above form because the amelioration ~~branch~~ staff consisted also of staff drawn from the Cooperative Department. Now that it is considered that no rules are necessary for the staff drawn from Cooperative Department ad hoc rules in the usual form may be ~~formed~~ framed for the remaining posts.

2. The rules previously suggested by the R.C.S. in respect of posts mentioned in items 2 to 8 above have already been examined in the sectional notes. The rules now suggested by the R.C.S. in respect of these posts are almost the same except for some minor alterations. The R.C.S. has also suggested rules for the posts of Dy. Palm Gur Organiser. The rules have been noted on in the sectional notes.

3. It has been proposed that the posts provide for the appointment of Deputy Commissioner of Prohibition (Amelioration) S.D.Os and A.D.Os may be sanctioned in the regular cadre of Joint Registrars, Deputy Registrars and Cooperative Sub Registrares. Registrars. All references to Dy.Commr. of Prohibition (Amelioration) S.D.Os and A.D.Os in the ad hoc rules may be omitted and the terms of Joint Registrar of Cooperative Societies, Dy. The file deals with the question of framing ad hoc rules for the Ameliorative staff. The staff that are now working in the Amelioration Branchs of the Co.op Department are the following:-

HEADQUARTERS STAFF

1. One Dy.Commr. of Prohibition (Amelioration) and Jt. Registrar of Co-op. Societies.

2. One Manager (Cooperative Sub Registrars)

3. Four Senior Inspectors.
4. Six Junior Inspectors.
5. Four Lower Divisional Clerks.
6. Three typists.
7. One Photographer.
8. One Reserve Operator.
9. Six peons.
10. One stenographer.

DISTRICT STAFF

1. Twenty one Special Development Officers.
2. Forty seven Asst. Development Officers (C.S.R's)
3. Two hundred andtwwnty two Rural Welfare Officers.
4. Twenty two stenographers.
5. Two Senior Inspectors.
6. Sixty nine peons.
7. Twenty three jeep drivers.
8. Seventeen propaganda van drivers.
9. Seventeen propaganda van operators.
10 Seventeen Propaganda van cleaners.

The Registrar has stated that there is no need to frame rules for the posts of Dy.Commr. of Prhobii Prohibition (Amelioration) Special Development Officers and Asst. Development Officers as the posts are invariably held by Jt.Registrars, Dy.Registrars and C.S.R's respectively. To obviate the necessity for framing rules for these posts it has been proposed to sanction temporary posts of Jt.R.C.S. , Dy. R.C.S. and C.S.R to provide for the employment of Dy.Commr. of Prohibition (Amelioration) Special Devt. Officers and Asst. Devt. Officers respectively. As regards the other subordinate staff of Senior Inspectors. Junior inspectors. Lower Division Clerks, Typists Stenographers and peons working in the Amelioration branch of the Coop. Department it has been considered that rules would not be necessary if the posts of Dy.Commissioner, S.D.O. and A.D.O., are sanctioned in the cadre of Jt. Registrars, Dy.Registrars and Co-op. Sub Registrars respectively.

2. rules have therefore become necessary only in respect of the following posts;

2. Palm Gur Instructor.
3. Photographer.
4. Reserve Operators
5. Propaganda Van Operators.
6. Propaganda van drivers.
7. Propaganda van cleaners.

Draft rule 1: It has been stated that the rules applicable to the holders of permanent posts in the Madras General Subordinate Service should apply to the holders of certain temporary posts in the Prhhibition Branch. As the Madras General Subordinate Service consists of several classes, the particular class(the rules relating to which should apply to the holders of the temporary posts) may be specified.

Draft rule 5: It is presumed that by 'recognised school' in item(i) in column(2) of the table against the category "3. Photographer", is meant a school maintained by, or opened with the sanction of the Govt. of Madras or to which recognition has been accorde by the Director of Public Instruction, Madras, under the Madras Educational Rules. If so, it may be made cle by an Explanation after item(iii) of that category.

It may be made clear by whom the authority or institution of Radio Engineers referred to in item(iii) in column(2) of the table against the category "5. Prop ganda Van Operators" should be recognised.

Draft rule 11(2): It is stated that the Joint Registrar of Cooperative Societies should be the author to make inter-district transfers in respect of only five temporary posts. It is not clear why no such provision is made in the case of the other temporary posts.

SUMMARISING NOTE

The file deals with the question of framing ad hoc rules for the Ameliorative staff. The staff that is now working in the Amelioration branch of the Cooperative Department are the following:

Headquarters staff;

1.One Deputy Commissioner of Prohibition (Amelioration and Jt.Registrar of Co.op ~~Registrar~~ Societies
2. One Manager (C.S.R)
3. Four Senior Inspectors.
4. Six Junior Inspectors.
5. Four Lower Division Clerks.
6. Three typists.
7. One Photographer

8. One Reserve Operator.
9. Six peons.
10. One Stenographer.
11) One Deputy Palm Gur Organiser

District staff

1. Twenty one S.D.Os (Dy.Registrars of C.S.)
(The posts of S.D.Os in bifurcated Dts. have been converted into those of Dy.Registrars)
2. Forty seven A.D.Os (C.S.R's)
3. Two hundred and twenty two Rural Welfare Officers.
4. Twenty two stenographers.
5. Two Senior Inspectors.
6. Sixty nine, peons.
7. Twenty three jeep drivers.
8- Seventeen propaganda van drivers.
9. Seventeen propaganda van operators.
10. Seventeen propaganda van cleaners.
11. Tewnty five Palm Gur Instructors.

The Registrar has stated that there is no need to frame Rules for the posts of Dy.Commr. of Prohibition(Amelioration) Special Development Officers and Assistant Development Officers as the posts are invariably held by Jt. Registrars, dy. registrars and Co.operative Sub Registrars to provide for the employment of Deputy Commr. of Prhhibition(Amelioration), Special Development Officers and Assistant Development Officers respectively. As regards the other subordinate staff of Senior Inspectors, Junior Inspectors, Lower Division Clerks, Typists and Stenographers and peons working in the Amelioration branch of the Co.operative Department it has been considered that rules would not be necessary if the posts of Dy.Commr. S.D.O., and A.D.O. are sanctioned in the cadre of Jt.Registrars, Deputy Registrars and Cooperative Sub Registrars respectively. It has also been considered that no rules are necessary for Rural Welfare Officers as these posts have been ordered to be abolished.

Necessity to formulate the rules for these posts if it has been proposed to sanction temporary posts of Joint R.C.S. Dy. R.C. and C.S.R's

2. Rules have therefore become necessary only in respect of the following posts:

1. Deputy Palm Gur Organiser.
2. Palm Gur Instructor.
3. Photographer.
4. Reserve Operator
5. Propaganda Van Operators.
6. Propaganda Van Drivers.
7. Propaganda Van Cleaners.
8. Jeepdrivers.

The rules in respect of these posts have been examined in the sectional notes in consultation with Departments concerned.

3. Public(Services)Department have suggested that a total period of two years on duty within a continuous period of three years may be prescribed as probation for the following posts.

Photographer
Reserve Operator
Propaganda Van Operators.
Propaganda Van Drivers.
Propaganda Van Cleaners.
Jeep Drivers

As the Registrar does not seem to have suggested one year period of probation, for these posts for any special reasons it is for consideration whether the suggestion may be accepted. The alterations indicated in red ink by Legal on the draft notifications may also be accepted. Subject to orders, the draft notifications may issue.

For subordinates in this class a two year probation is unnecessarily long. One year seems ample to be ~~acceptable~~

OFFICE NOTE

Rule 1: It does not seem that Prohibition(Amelioration) staff can constitute a separate service. The various posts ~~xxx~~ may be made separate categories in the existing services. The posts of Palm Gur Instructors may be made a separate category in the Madras Coop. Subordinate Service and the posts of Photographer, Reserve Operators . Propaganda Van Operators, Propaganda Van Drivers and cleaners and Jeep Drivers may be made separate categories in the Madras General Subordinate Service.

It has been ordered that the posts of Rural Welfare Officers may be abolished. No rules need be framed for these posts. The posts of Chief Physical Instructors has been declared as not suitable to be governed by rules. Further the posts of Chief Physical Instructor and Asst. Physical Instructors were sanctioned for the training of Rural Welfare Officers* are not to be continued, the posts of Chief Physical Instructor and Asst Physical Instructors are also not likely to be continued. No rules therefore seem necessary for these posts. Rule 1 may therefore be recast as follows:-

* and for supervising their work. As the posts of R.W.Os

1. The General and Special Rules applicable to holders of permanent posts in the Madras ~~Government~~ Co-op. Recruitment by transfer: 1)Minimum general educational qualifications prescribed in the Schedule to the General Rules.

In G.O.No.2436 Pub(Ser) dated 10.8.42 the Govt. have prescribed the forms of certificates of physial fitness for executive, ministerial and other posts Under regulation 1 of the regulations for the medical examination of candidates for appointments to executive posts.a candidate must be in good mental and bodily health he must not only be free from any physical defect which would be a disqualification for that post but his physical condition should be such as would enable him to perform efficiently the active duties of executive service. The certificate of Physical fitness prescribed for executive posts may therefore be prescribed for tho post of Deputy Palm Gur Organiser. Item 4 under direct recruitment may therefore be recast as follows:-

"4. Should on selection, produce a certificate of Physical Fitness in the form prescribed in G.O.No.2436 Pub(Ser) dated 10.8.42 for executive posts"

.....

1. The management of Sujirkar's Sri Krishna Handloom Weaving Factory, Valencia, Mangalore, issued lock-out notice on the forenoon of 27.12.1952 and the factory which had 27 weavers remains closed since that date. The following grounds were given by the Management in the "lock-out" notice:

3. The Labour Officer, Calicut, has been apprised of the situation and the matter is pending his enquiry and decision.

4. Necessary steps have been taken to maintain law and crder. The situation is quiet at present. Further developments will be reported

Memorandum.

Subt Law and Order - Strike by Handloom workers at Udipi against reduction in wages - Report regarding.

As a protest against the cut in wages imposed on handloom workers, from Re.0-5-0 to 0-4-0 on a yard of cloth woven and from Re.0-1-0 to 0-0-11 on a reel of yarn spun, since last week, seven women spinners in Lemuel Karkada's Weaving Factory at Udipi refrained from work on 6-8-53 and they intend resuming work when the cut in wages is withdrawn by the Factory owners. Backed up by the local ~~Communists~~ members of the Communist party there was a day's sympathetic strike in all the handloom establishments at Udipi on 6-8-53. The balance of about 25 weavers are attending to work in Lemuel Karkada's Factory since 7-8-53.

2. It is learnt that the factory owners implemented this cut in wages with a view to tide over the financial crisis experienced by the handloom industry at present. But the local ~~members~~ of the Communist party leaders are exhorting the weavers to put up a sustained agitation and also to go on a general strike till the cut in wages is withdrawn unconditionally. There have been no incidents in this connection so far. Necessary instructions have been issued to the local police to maintain law and order. The situation is watched.
